## GRADUATE SCHOOL

Pentecost University Graduate School is emerging as a popular choice for many graduate students in the country and some students from neighbouring West African countries. Our demand-driven programmes in Business Administration, Pentecostal Studies and Health Policy Management give our graduates a head start on the job market. We have recruited very competent faculty members with expertise both in industry and academia to train our students.

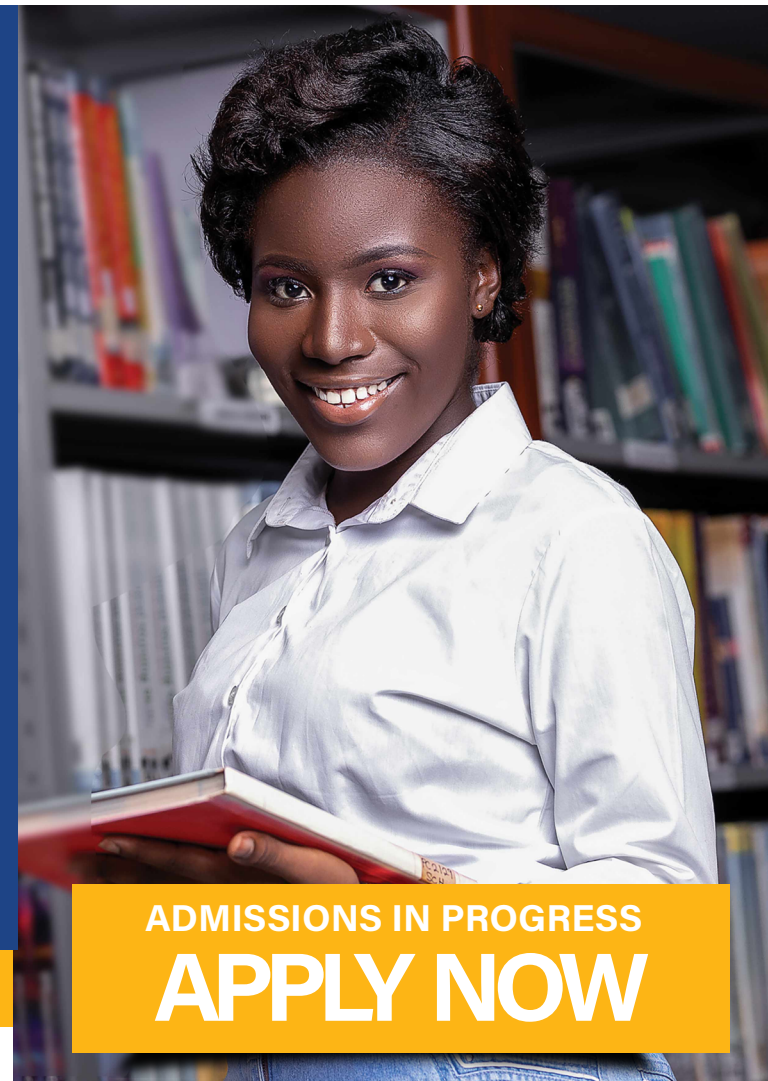

Our programmes are well designed to adequately empower students and we are always committed to providing our students an exciting and rewarding academic experience. Our programmes with Salford University and Bucks New University, both in the UK, are well sought after and with lectures on our campus students are taken through the programmes in well-resourced and comfortable lecture rooms. Our fees are very competitive. We welcome you to join us as we help to attain your academic and professional goals.

**One of the topmost private universities**  
Pentecost University has over the years emerged as one of the topmost private universities in Ghana, delivering quality education to both local and international students. We are an A+ University which is research-led. Our curriculum focuses on preparing students to solve problems in their areas of endeavour and the world at large.

## We won the:

- Overall Best Private University in 2019.
- Overall Best Communication Department in 2019.
- Best Nursing and Midwifery Faculty in 2019.

## Our Students are among the best

Our students are outstanding and become world-class problem solvers with distinguished integrity and spirituality. Pentecost University students:

- Receive one-on-one support for the development of strong moral and ethical values.
- Are exposed to how to solve real life problems.
- Work collaboratively with industries and organisations.
- Interact with world-leading academics.
- Are granted opportunities for international exposure and tours.
- Are equipped with entrepreneurial and leadership skills in addition to their core disciplines.

The University is owned by The Church of Pentecost. We embrace people of all faith and background and support them in the holistic development of their educational and spiritual pathways. We have produced quality graduates who are making meaningful impact in the world.

## World class infrastructure

We provide quality infrastructure and an excellent environment for the development of students.

Our lecture halls, labs, conference rooms, sports facilities, cafeteria and auditorium have been designed and resourced to provide comfort and the reliability students require. Our clinic, counselling unit and the chaplaincy centre provide additional support for students.

## Scholarships and Bursaries

We provide scholarships and bursaries for students who are brilliant and in need. For further information on scholarship and bursaries, contact Mrs. Priscilla Davis (padavies@pentvars.edu.gh)

## A wide-range of courses

We have a range of programmes for all classes of qualifications- from the qualified to the unqualified. For further enquiries, kindly contact Mr James Coffie (jrcoffie@pentvars.edu.gh).
